

A simple way to give to your church

# Holy Trinity, Roehampton

Walking | Welcoming | Growing

**Thank you for your support for our church. The Parish Giving Scheme (PGS) is a new, free way to help you plan your giving and, where appropriate, to do so tax efficiently.**

Whether you currently pay by standing order, envelope or open plate, you can easily make the switch to this secure and efficient Direct Debit system.

Used by the majority of Dioceses, the PGS is tried, tested and highly recommended for its reliability and ease of use, and can help you manage your giving in a stress-free way.

This leaflet supplements the information in the PGS gift form.

### **How does the PGS work?**

You give your regular donations to your church via the PGS by Direct Debit on a monthly, quarterly or annual basis on the 1st of the month. Your full gift and any associated Gift Aid is automatically credited to your church in the same month.

At any time you can change or cancel the amount by a simple phone call, so you can confirm the amount you give before your account is debited.

You can choose to inflation-proof your gift which will make a huge difference to your church's finances.

### **Why does inflation matter?**

Our church, like every household, is hit by inflation. If your giving does not keep pace with the increasing costs, then it becomes worth less over time.

The PGS tackles this by enabling you to choose the popular option and increase your giving annually in line with inflation. You simply tick the necessary box on the gift form, or agree on the phone, to authorise an inflationary increase.

If you choose this option, the Parish Giving Team will send you an annual inflationary letter to keep you in total control.

## Why give in a new way?

Giving by individuals is essential to secure our church's ability to serve its community and share our faith and God's love with those around us. For our church to grow and plan for the future, we rely on your regular gifts.

How much you give is a matter for your personal and prayerful reflection, as we respond to God's grace and generosity.

Money dominates too many agendas in our church and takes up a lot of time in counting it, administering it and claiming Gift Aid. If you sign up to the PGS, more of your money and our volunteers' time can be devoted to God's mission.

The image shows a 'PARISH GIVING SCHEME' form and a 'YES' button. The form includes fields for title (Mr, Mrs, Miss, Ms, Other), first and surname(s), and full home address. It also has a section for 'I wish my donation to be used solely for the benefit of' with fields for Church/Parish name, PGS Parish code, village/town/city, and Diocese. A 'YES' button is labeled 'I wish to give a regular donation for my church'. Below the form, there is a statement: 'I wish to support my parish in the future by agreeing to an annual inflationary increase on my gift.' with a 'Phone (S)' checkbox and a 'Yes' checkbox. A small note at the bottom says 'I understand that the new amount will be communicated to me by'.

On our parish's PGS page, click 'Pledge Gift' and follow the instructions to set up your Direct Debit giving. Please remember to tick the box to commit to an increase in line with inflation.

**Telephone** To sign up via telephone, call PGS on 0333 002 1271. Lines are open Monday to Friday, 9am to 5pm. This normally takes around 10 minutes.

**Post** To sign up via post, you will need to complete our Gift Form and post it to PGS office's address. You can download the Gift Form on our website.

If you currently give by standing order, you will need to cancel the payment details either in person, by telephone or online. We recommend waiting until you have received your welcome letter from PGS.

You can also choose to give anonymously and your church will be notified only of the amount of your gift.
